The screenshot displays a web browser window with the address bar showing `localhost:44383/Subjects`. The browser's tab bar includes several open tabs: "Mail - Venkatesh NS - Outlook", "Mphasis | Phase 3 - Databa...", "Self learning", and "Index - My ASP.NET Application". The browser's address bar also shows "Gmail", "YouTube", and "Maps" as suggestions.

The web application's header features a navigation menu with the following items: "Application name", "Home", "About", "Contact", "Class", "Subject", and "Students Details".

The main content area is titled "Index" and includes a link labeled "Create New". Below this, there is a table with the following data:

subject_id	subject_name	class_name	class_id	
1	Science	8th	2	Edit Details Delete
2	Mathematics	7th	1	Edit Details Delete

At the bottom of the page, there is a copyright notice: "© 2023 - My ASP.NET Application".

The Windows taskbar at the bottom of the screen shows the system tray with the date and time "13:38 31-08-2023". The taskbar also includes icons for various applications, including the Start button, Search, and several background applications.
